Metal	3
Water	0

SECTION 04

How to read your BaZi

The **Day Master** is your core elemental identity. The **five-element balance** shows which elements you have in excess and which you lack. Yours lacks Water — the work of the life is to introduce water-element activities (deep work, study, fluidity).

KAALVEDA

THE MATH OF TIME

Your BaZi is a map of your own elements.

BaZi reads the Heavenly Stems and Earthly Branches of your birth moment to reveal a personal balance of the five elements and the Ten Gods that act through them.
