SECTION 03

How to read your natal chart

The Sun is your core. The Moon is your inner weather. The Rising is the lens you see through. Aspects are the relationships between planets — trines flow, squares grind, oppositions polarise.

THE MATH OF TIME

**Your natal chart is fixed. The interpretation
is alive.**

Planet positions are computed from JPL DE441 ephemeris via the Kaalveda sidecar. Aspects are within 6° orb for majors and 3° for minors.
